*The Planning Committee of the Association has formulated a Program of Events that promises to excell the productions of former years.*

*We present here a partial list of Festival Events such as the opening Costume Dance ~ to be held at the Little Switzerland Inn at El Verano. There will be a Country Store and Fair, strolling Troubadors, an extensive Wine Exhibit and Food Booths. Featured will be the Pageant, Folk Dancing and an exhibit of paintings of the California Missions.*

*Living Pictures of the Past as portrayed by costumed participants will be an outstanding feature.*

*Do you remember - last years guest artist - - - the incomparable Robert Weede - singing his numbers - in the intimate atmosphere of the Open Air Plaza Theatre? Well, this year you may look forward to another musical treat!*

*This partial outline of events cannot begin to convey the amount of detailed planning done by the Committee - - you may be sure the results will be colorful, entertaining, and in character with the spirit of Historical Sonoma.*
